

TRY THE UNIQUE EXPERIENCE OF BEING A PILOT

Not sure if you like flying helicopters?
Want to try out our facility and test
our instructors?

Want to just feel the thrilling
experience of piloting a helicopter or
let your beloved have an
unforgettable memory?

Our unique Intro Flight is what you
need!

Come at Brown Field Municipal Airport, meet our staff and instructors and start the journey...

After a visit to our offices and school,
you will be taken to our hangar where
the instructor will go through a 20
minutes one on one briefing and you
will learn the basic of flight controls
and safety procedures.

After preflight procedures together
with your instructor, you will take off

from our private helipad for an unforgettable 30 minutes flight in a Robinson-22 Beta II. And yes,
during the flight the instructor will give you the chance to take the control of the helicopter as a
real pilot!!

Our intro flight, all included at the special price of 99.00\$
